

# CBLP SHORELINES

## Certificate Course

Professional development workshops designed for existing CBLPs and professionals working along the shoreline who want to add Living Shoreline Services to their business offerings. Complete both workshops and a construction practicum to earn the certificate.

Includes webinars, field workshops, and videos presented by experienced professionals.

**Registration is open**  
**[www.cblpro.org](http://www.cblpro.org)**  
**FREE - \$100**

Developed in partnership with the Living Shoreline Collaborative, CBLP, and a team of shoreline professionals from VA, MD, & NC, led by Wetlands Watch, the VA CBLP Coordinator, and funded through a JRA NFWF Grant.

# Living Shoreline Basics Webinar

**Monday, December 12**

9:00 AM - 12:00 pm

Zoom

Free, prerequisite for workshop 2  
(may be taken as stand alone webinar)

**An overview of the benefits of living shorelines, the regulatory environment, & planning & implementation considerations for living shoreline projects.**

## Essential Skills for Living Shorelines

**March 10, 17-18, 2023\***

In Person

*\*Tentative, dates to be finalized in November*

**This 3-day workshop focuses on site assessment, planning & design, permitting, constructing, & maintaining living shoreline projects that meet VA's General Permit 1 or 2 requirements. Emphasizes hands-on & experiential learning.**
