

Hands On & Reporting Requirements

How to Meet Requirement

- Volunteer at a CBLP-partner organization's installation
- Install a living shoreline through your job
- Volunteer on an installation with an organization close to you (particularly if you live outside of Virginia)
- Report activity using [this form](#)
- Take photos!

Once reported, qualified for online referral list.

Hands On & Reporting Requirements

Types of Activities

- Installation (planting, sand fill, oyster structures, stone, goose fencing, etc.)
